Hello <name>,

My name is Braydan Bitner, I am sending you my resume to you because I can help your business grow as a <position>. I've practiced web development and design for 4 years at Dauphin County Technical School in Harrisburg PA. I am proficient in HTML, CSS, PHP, Python, SQL, and WordPress. In Web Development and design I learned many critical skills such as good teamwork and communication.

I have prior experaince doing groundskeeping at the Copper Pub and Grill. I have done various community service projects such as working as working apart of a cleanup crew at the Zembo circus and cleaning up trash along Linglestown RD. I am also currently persuing my eagle scout.

Thank you,
Braydan Bitner
